F038142 People v. Mack

The judgment is modified to designate appellant's second degree burglary in case No. 24951 as the principal term with cumulative presentence custody credits totaling 338 days (180 days of actual custody credit, 90 days of conduct credit, and 68 days of actual custody credit while at CRC). The term imposed in case No. 24951 is designated as an eight-month consecutive subordinate term with cumulative custody credit totaling 13 days (9 days of actual custody credit and 4 days of conduct credit). Additionally, in case No. 25114, the on-bail enhancement is stricken and the term imposed is designated to run concurrent to the terms imposed in the other two cases with 335 days of presentence custody credits (179 days of actual custody credit, 88 days of conduct credit, 68 days of actual custody credit while at CRC). The trial court is directed to prepare an amended abstract of judgment consistent with this disposition and to forward a certified copy to the Department of Corrections. As modified, the judgment is affirmed.
